INVITATION OF APPLICATIONS FROM FIRMS (PARTNERSHIP /LIMITED LIABILITY PARTNERSHIP/PROPRIETARY CONCERN) OF PRACTICING CHARTERED ACCOUNTANTS FOR EMPANELMENT AS TECHNICAL REVIEWERS (TRs) WITH THE NATIONAL REPORTING AUTHORITY (NFRA)

1 Introduction:

1.1 The National Financial Reporting Authority (NFRA) was constituted on 01st October, 2018 by the Government of India under Sub Section (1) of section 132 of the Companies Act, 2013 to perform the following function and duties as per Sub Section (2) of Section 132 of the Companies Act, 2013:

- (a) Recommend accounting and auditing policies and standards to be adopted by companies for approval by the Central Government;
- (b) Monitor and enforce compliance with accounting standards and auditing standards;
- (c) Oversee the quality of service of the professions associated with ensuring compliance with such standards and suggest measures for improvement in the quality of service;
- (d) Perform such other functions and duties as may be necessary or incidental to the aforesaid functions and duties.

1.2 In exercise of the powers conferred by clause (b) of sub section (2) of section 132 of the Companies Act, 2013 and Rule 8 of the National Financial Reporting Authority Rules 2018, the NFRA may, for the purpose of monitoring and enforcing compliance with auditing standards under the Act, –

- (a) review working papers (including audit plan and other documents) and communications related to the audit;
- (b) evaluate the sufficiency of the quality control system of the auditor and the manner of documentation of the system by the auditor; and
- (c) perform such other testing of the audit, supervisory, and quality control procedures of the auditor as may be considered necessary or appropriate

The NFRA shall perform its monitoring and enforcement activities through its officers or experts with sufficient experience in audit of the relevant industry as per sub rule (4) of the rule 8 of the National Financial Reporting Authority Rules 2018.

1.3 In view of the above, NFRA intends to engage Practicing Chartered Accountants (Partnership Firm/Limited Liability Partnership/ Proprietary concern) (Hereafter referred to as Technical Reviewer-TR) for the purpose of helping NFRA in conducting the reviews. For this purpose, NFRA will maintain a selected list of empanelled TRs through this Application process and work will be allocated to one or more of the empanelled TRs, as and when required.

1.4 Definitions:

1.4.1 “Act” means Companies Act, 2013.

1.4.2 “Public Interest Entities (PIEs)” means the following class of companies and bodies corporate, namely: -

9. CONTRACTUAL TERMS AND CONDITIONS FOR THE TECHNICAL REVIEWER

9.1 Legal Status: - The TR and his team shall have the legal status of an independent Technical Reviewer vis-a-vis NFRA and shall not be considered, for any purposes, as a staff member of NFRA or an official of NFRA. Accordingly, nothing within or in relation to the contract shall establish a relationship of employer and employee, or of principal and agent, between NFRA and the Technical reviewer.

9.2 Standard of conduct: - In general, the TR and his team will neither seek nor accept instruction from any authority external to NFRA in connection with the performance of its obligations under the contract. The TR shall not take any action in respect of its performance of the contract or otherwise related to obligations under the contract that could adversely affect the interest of NFRA and TR shall perform his contract with fullest fidelity to the interest of NFRA. The TR shall comply with all the laws, rules and regulations bearing upon the performance of its obligations under contract.

9.3 Prohibition of Sexual Exploitation and Abuse: - In the performance of the contract, the TR shall comply with the "Sexual Harassment of Women at Workplace (Prevention, Prohibition and redressal) Act, 2013". The TR acknowledges and agrees that any breach of any of the provisions thereof shall constitute a breach of the essential terms of the contract, and, in addition to any other legal rights or remedies available to any person, shall give rise to grounds for termination of the Contract. In addition, nothing herein shall limit the right of NFRA to refer any alleged breach of the foregoing standards of conduct to the relevant national authorities for appropriate legal action.

9.4 Title Right, Copyrights, Patents and other Proprietary Rights:

- i. Title to any equipment and supplies that may be furnished by the NFRA to the TR for the performance of any obligations under the contract shall rest with NFRA and any such equipment shall be returned to NFRA at the conclusion of the Contract or when no longer needed by the TR. Such equipment shall be returned to the NFRA in the same condition as delivered to the TR, subject to normal wear and tear, and the TR shall be liable to compensate NFRA for any damage or degradation of the equipment that is beyond normal wear and tear.
- ii. NFRA shall be entitled to all intellectual and other proprietary rights, including, but not limited to, patents, copyrights and trademarks, with regard to products, processes, inventions, ideas, know-how or documents and other materials which the TR has developed for NFRA under the contract and which bear a direct relation to or are produced or prepared or collected in consequence of, or during the course of, the performance of the contract.

9.5 Confidential Nature of Documents and Information: - The TR would be subject to the provisions of the Indian Official Secrets Act, 1923. The TR shall not, except with the previous approval of NFRA, publish a book, compilation of articles or participate in Radio/TV broadcast or contribute an article or write a letter in any newspapers or periodical either in his own name or anonymously or pseudonymously in the name of any other person, if such book, article, broadcast or letter relates to subject matter assigned to him by NFRA.

9.6 Use of Name, Emblem or Official Seal of the NFRA: - The TR shall not advertise or otherwise make public for purposes of commercial advantage, (except for the purpose of participating in bids/tenders in professional capacity) the contractual relationship with NFRA nor shall the TR, in any manner whatsoever, use the name, emblem or official seal of NFRA, or any abbreviation of the name of NFRA, in connection with its business or otherwise without the written permission of NFRA.

9.7 Insurance: The TR shall be solely responsible for taking out and for maintaining adequate insurance required to meet any of its obligations under the contract, as well as for arranging, at the TR's sole expense, such life, health and other forms of insurance as the TR may consider to be appropriate to cover the period during which the TR provides services under the contract.

9.8 Force Majeure and other conditions: Force majeure as used herein means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, or any other acts of a similar nature or force, provided that such acts arise from causes beyond the control and without the fault or negligence of the TR.

9.9 Termination: The NFRA can terminate the contract at any time without prior notice and without providing any reason for it. However, in the normal course it will provide one month's notice to the TR. The TR can also seek for the termination of the contract upon giving one months' notice to NFRA.

9.10 Settlement of Dispute: NFRA and the TR shall use their best efforts to amicably settle any dispute, controversy or claim arising out of the contract or breach, termination or invalidity thereof.

9.11 Arbitration: Any dispute, controversy or claim between the parties arising out of the contract or the breach, termination, or invalidity thereof, unless settled amicably, as provided above, shall be referred by either of the parties to the Secretary, MCA who may appoint an arbitrator for the settlement of the dispute.

9.12 Conflict of interest: The TR shall be expected to follow all the rules and regulations of the Government of India which are in force. TR will be expected to display utmost honesty, secrecy of office and sincerity while discharging their duties. In case the services of the TR are not found to be satisfactory or found to be in conflict with the interests of the NFRA or Government of India, their services will be liable for discontinuation without assigning any reason.

9.13 Tax Deduction at Source: The Income Tax or any other tax liable to be deducted as per the prevailing rules will be deducted at source before effecting the payment, for which the NFRA will issue TDS Certificate/s. Goods and Service Tax, as applicable shall be admissible to the TR. The NFRA or Central Government undertakes no liability for taxes or other contribution payable by the TR on payments made under this contract.

9.14 The jurisdiction for all cases in relation to the TR shall lie with courts in Delhi only.

ANNEXURE I

INSTRUCTIONS FOR ONLINE APPLICATION SUBMISSION:

The Applicants are required to submit soft copies of their applications electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the Applicants in registering on the CPP Portal, prepare their applications in accordance with the requirements and submitting their applications online on the CPP Portal. More information useful for submitting online Application on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

- 1) Applicants are required to enrol on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “**Online Applicant Enrolment**” on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the Applicants will be required to choose a unique username and assign a password for their accounts.
- 3) Applicants are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the applicants will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by Applicant. Please note that the Applicants are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Applicant then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate Applicants to search active tenders by several parameters. These parameters could include Applicant ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the Applicants may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the Applicants have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the Applicants through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The Applicant should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF APPLICATIONS

- 1) Applicant should take into account any corrigendum published on the tender document before submitting their applications.
- 2) Please go through the tender advertisement and the Application document carefully to understand the documents required to be submitted as part of the Application. Please note the number of covers in which the Application documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the Application.
- 3) Applicants, in advance, should get ready the Applications to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Application documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every Application, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the Applicants. They can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a Application, and need not be uploaded again and again. This will lead to a reduction in the time required for Application submission process.

SUBMISSION OF APPLICATION

- 1) Applicant should log into the site well in advance for Application submission so that they can upload the Application in time i.e. on or before the Application submission time. Applicants will be responsible for any delay due to other issues.
- 2) The Applicant has to digitally sign and upload the required Application documents one by one as indicated in the tender document.
- 3) The server time (which is displayed on the Applicants' dashboard) will be considered as the standard time for referencing the deadlines for submission of the applications, opening of applications, etc. The Applicants should follow this time during application submission.
- 4) All the documents being submitted by the Applicants would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of Application opening. The confidentiality of the applications is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any Application document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/ Application openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized Application openers.
- 5) The uploaded application documents become readable only after the tender opening by the authorized Application openers.
- 6) Upon the successful and timely submission of Application (i.e. after Clicking "Freeze Application Submission" in the portal), the portal will give a successful Application submission message & a Application summary will be displayed with the Application no. and the date & time of submission of the Application with all other relevant details.
- 7) The Application summary has to be printed and kept as an acknowledgement of the submission of the Application. This acknowledgement may be used as an entry pass for any Application opening meetings.

ASSISTANCE TO APPLICANTS

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online Application submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 3070 2232. Applicants can also get help at +91-7878007972 & +91-7878007973.
